

Patient Safety / Escalation of Concern

The Ramsay Rule is our commitment to patient safety and partnering with you and your family allows us to provide excellent care.

If you are worried about a patient in hospital, first talk to your nurse or doctor. If you are still worried, ask to speak to the nurse in charge. If you are still worried, call the number below (whether in facility or outside) and ask to speak to a 'Ramsay Rule Clinician'

The Ramsay Rule
FOR PATIENT SAFETY
